

## 2010 EARTH DAY FESTIVAL FOOD VENDOR APPLICATION

The Earth Day Festival will be held on Sunday, April 18, 2010, from 11 a.m. to 4 p.m. at Victory Park (behind the Haggin Museum). The theme for this year's event is "**Be a Breath of Fresh Air in Your Community.**" All food vendors must provide their own booths and complete the San Joaquin County Health Dept. Temporary Event Application requirements (see attached). Food vendors must also provide a Certificate of Insurance that endorses the City of Stockton for this event.

In order to stress the importance of eating healthy and lower on the food chain, **the Earth Day Festival will continue its 22-year tradition of a "no meat" menu.** Only a limited number of food vendors are invited to participate in this event. To ensure that your booth is successful and that a variety of no meat foods are offered, please provide a menu of the food items you plan to serve on the day of the event with your application. Your menu will be confirmed prior to the event.

In keeping with the event's purpose of protecting the environment, **only compostable containers will be allowed for use by the food vendors.** Styrofoam will no longer be allowed. Lastly, food waste carts will be placed near the food vendor booths and throughout the Festival site to encourage proper disposal of food waste for composting.

Please complete this application and mail to the address below as soon as possible. Due to the overwhelming response to participate, each vendor/exhibitor will be entitled to one table and two chairs. Vendors may bring additional chairs, tables and canopies. Receipt of vendors/exhibitor applications will be confirmed prior to the event. For more information, e-mail [stocktonearthday@gmail.com](mailto:stocktonearthday@gmail.com) or call Susan Mora Loyko at 937-8389.
